AUTHORIZATION FOR TREATMENT

Medical care is a patient care service in response to a wide range of medical care needs of patients of all ages regardless of gender, color, race, creed, national origin or disability, five days a week.
The purpose of medical care is:

- To treat disease, injury and disability by examination, testing and use of procedures as needed, in the aid of diagnosis or treatment.
- To obtain information needed in diagnosing and examining patients.
- To prevent or minimize residual physical and mental disability.
- To aid patients in achieving their maximum potential within their capabilities.
- To accelerate convalescence and reduce the length of the functional recovery.

All procedures will be thoroughly explained to you before you are asked to perform them. You are expected to cooperate fully with the examination and stop any test or procedure before experiencing any increase in your current level of pain or discomfort. There are certain inherent risks with medical care; if you have any concerns about your proposed treatment as described by your provider please let them know prior to the examination or procedure. The attending physician or provider will take every precaution to ensure that you are protected from any potentially hazardous situation. You will never be forced to perform any procedure that you do not wish to perform. Based on the above information, you agree to cooperate fully and to participate in all medical care procedures and to comply with the plan of care as it is established.

***Notice to Patients**
For your personal safety, do not use any equipment without a staff member present.

For office use only.

HIPAA NOTICE OF PRIVACY

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Uses and disclosures:

1. TREATMENT: We will use & disclose your information to provide, coordinate, or manage your health care and any related services. This could include the coordination of management of your health care with a third party. For example, we would disclose your protected health information, as necessary to a home health agency that provides care to you. Another example includes providing information to a physician to who you have been referred to ensure correct information for your diagnosis.
2. PAYMENT: Your protected health information will be used, as needed, to obtain payment for your health care services. For example, obtaining approval for a hospital stay may require that your information be disclosed to the health plan to obtain approval for the hospital admission.
3. HEALTH CARE OPERATIONS: We may use or disclose, as needed your protected health information in order to support business activities of your physician's practice. These activities include, but are not limited to, quality assessment activities, employee review activities, training medical students, licensing, and conducting or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients at our office. In addition we may use a sign in sheet at the registration desk where you will be asked to indicate your physician. We may also call you by name in the waiting room and call you to remind you of your appointment.
4. We may use or disclose your protected health information in the following situations without your authorization: as required by law, public health issues as required by law, communicable diseases, health oversight, abuse or neglect, Food and Drug Administration requirements, legal proceedings, law enforcement, coroners, funeral directors, and organ donation, research, criminal and military activity, national security, workers compensation, inmates. Required use and disclosures; under law, we must make disclosures to you and when required by the Secretary of the Department of Health & Human Services to investigate or determine our compliance with requirements of Section 164.500.
5. Other permitted and required uses and disclosures will ONLY be made with your written consent, authorization, or opportunity to object unless REQUIRED by LAW. You may revoke this authorization at any time, in writing, except to the extent that your physician or the physicians practice has taken an action in reliance on the use or disclosure indicated in the authorization.

I hereby consent to the use and disclosure of all medical data about me or my minor children for uses allowed by law, including for the following purposes:

1. Review by doctors, hospitals, other health care providers and their staff who treat us.
2. Review by insurers, administrators, and others who may pay for the cost of treating us.
3. Review by health care officials when statutes, regulations or professional duty so require.

For office use only.

PATIENT BILL OF RIGHTS

As a patient of Hurtt Family Health Clinic, you have the right, consistent with California law, to:

1. Understand and use these rights, if for any reason you need help with this, we will provide assistance.
2. Receive treatment without discrimination as to race, color, religion, sex, national origin, disability, or sexual orientation.
3. Receive considerate and respectful care in a clean and safe environment.
4. Be informed of the name and position of the health care provider who will be in charge of your care.
5. Know the name, position, and function of any staff involved in your care and refuse treatment, examination, or observation by that person.
6. Receive care in a non-smoking environment.
7. Privacy and confidentiality of all information and records regarding your care.
8. Participate in all decisions about your treatment.
9. Refuse treatment, examination or observation and be told what effect this may have on your health.
10. Obtain a copy of your medical records within a reasonable period of time
11. Refuse to take part in research. In deciding whether or not to participate, you have the right to a full explanation.
12. Receive all the information you need to give informed consent for any proposed procedure treatment. This information shall include the possible risks and benefits of the procedure or treatment.
13. Receive urgent care if you need it.
14. Complain, without fear of reprisals, about the care and services you are receiving and to have Hurtt Family Health Clinic respond to you, and if you request it, provide you with a written response. If you are not satisfied with the response, Hurtt Family Health Clinic must provide you with the telephone numbers of alternate physicians so that you may transfer your medical care.

PATIENT'S RESPONSIBILITIES

The staff at Hurtt Family Health Clinic strives to provide you, the patient, with the best care possible. Below are some things you can do to help us achieve that goal:

1. Arrive on time for scheduled appointments. If you will not be able to make the appointment please call 24 hours in advance to cancel and reschedule. If you arrive after your scheduled appointment, you may be asked to wait for the next available appointment or to reschedule.
2. Give your health care provider all the information that is needed to determine the best treatment for you; fill out forms completely and accurately.
3. Provide correct and complete contact information.
4. Be open and honest with your health care provider.
5. Call your health care provider promptly if your condition worsens or does not follow the expected course
6. Check with your provider well before you run out of your current supply of medication.
7. Use prescription and over the counter medications as directed. You should never share medication prescribed for you with others.
8. Treat fellow patients at Hurtt Family Health Clinic with the same courtesy and respect that you would expect from them. Please respect others right to privacy as you would ask that your own be respected.
9. Arrive to your appointment sober and prepared. If you arrive or present as under the influence of any illicit substances, you may be asked to leave and reschedule your appointment for another day.

For office use only.

ADDITIONAL CONSENTS

APPLICABLE LEGAL DOCUMENTS FOR MINORS

For all minor patients (under 18 years of age), legal guardians will be asked to show documentation to prove that a legal relationship exists. This is for both the safety of the child and guardian and to ensure that the legally appointed parent or guardian is responsible for making medical decisions on behalf of the minor. Applicable legal documents pertaining to custody, divorce, separation, adoption or name change of a parent or child are required.

*All minors must have a birth certificate on file before being seen by a provider. *

LIMITED CONSERVATORSHIP

Limited conservatorships are for adults with developmental disabilities who are unable to make medical decision on their own behalf. If a patient is unable to make medical decisions on their own behalf due to a developmental disability, legal documentation appointing the conservator will be required. Proof of conservatorship must be presented at time of registration and before the patient can be seen by a provider. Documentation must include the right of the conservator to consent for medical treatment on behalf of the patient.

ADVANCE HEALTH CARE DIRECTIVE (AHCD)

An AHCD is a way to make your healthcare wishes known if you are unable to speak for yourself or prefer someone else to speak for you. An AHCD can serve one or both of these functions:

- Power of Attorney for Health Care (to appoint an agent)
- Instructions for Health Care (to indicate your wishes)

If you wish to complete an AHCD or would like additional information, please let you Patient Services representative know and you will be provided with an AHCD packet and FAQ sheet.

If you currently have an AHCD, please provide a copy for your medical records as soon as possible.

For office use only.
